Frank,

I hope this email finds you doing well. I would like to take this time to commend you and your staff for everything that you do. Recently I received an email from Lauren about the availability of statement stuffer inserts for our business members announcing your wonderful program to help expand and improve their operating efficiencies. I was thrilled to be able to jump at the opportunity, and the willingness to help provide excellent service above and beyond by Lauren really made the whole process go very smoothly. Once again, the superb service that you and your staff consistently display constitutes why we are so glad to be partnered with Payment Express Systems. Thank you for all that you do. Have a great afternoon.
